SCHOOL YEARBOOK

Dear Parent(s),

The time has come to put together your child's yearbook. Here are some suggestions to help you with their 2017-2018 yearbooks. If you wish your child to participate in the yearbook workshops led by Ms. Georgia during lunchtime, please indicate below. Please bring your own scrapbooking material. If your child is NOT participating in the workshops, then their class portfolio or material will be sent home the week of May 7th.

EVERY PAGE MUST BE 8 1/2" X 11" PAPER ONLY

- Craft work must **not** be too thick
- Have your child make a **cover page** and include their name, grade and school year
- Include crafts, class work, certificates, tests, schedules, programs
(8 1/2" X 11" PAPER ONLY)
- Leave two or three blank pages for autographs at the end the book
- A picture of your child with a short biography on the **back cover** is a good idea
- The book should be between 50 to 70 pages, numbered if you wish
- **Bright** coloured paper is nice
- Please **REMOVE ALL STAPLES** from your child's work

We will add your child's class picture and other pictures taken throughout the year in each yearbook.

The cost of binding each yearbook is \$16.00. We **must receive** all the materials in the order you wish them to be bound and **\$16.00 (cheques made out to NHES) by May 15th, 2018.** Due to time constraints **no late material will be accepted.**

The yearbook will keep your child's memorabilia for many years to come. If you wish to volunteer to help prepare the books or have any questions, please contact the school.

Thank you for your cooperation,
Catherine Zahra, Principal
